Reminder

Fishery fully booked out by corporate group Friday January 6th 2017

At Papermill it has been a great festive period with a lot of anglers coming out to visit us, some anglers were rewarded with quality double figure rainbows and other anglers have been bagging up catching some lovely 3lb and 4lb trout all fish are fighting really hard at the moment especially the smaller trout this is because of the water being at a temperature of 7 degrees and an oxygen level of 97 which are perfect conditions for trout, best flies of the week have been buzzers, black and green montanas, shammy leathers, hothead damsels and dancers with most anglers using floating line. The Boxing Day Competition was fully booked and the anglers had a great days fishing with some superb double figure rainbows being caught, John Savage caught two cracking double rainbows one weighing 12lb 4oz and the other weighing 13lb both caught on a blue fritz his total weight for 3 fish was 27lb 12oz, Jeff Kyte caught a superb 11lb 12oz rainbow on a cats whisker, and John Newman caught a lovely 8lb 14oz rainbow on a dancer his total weight for 4 fish was 15lb 13oz.
