Report Week beginning January 30th 2017

This week fishing has been good and steady with quite a few anglers bagging up, the weather over the last week has been cold with frosty mornings and easterly winds because of this cold spell we had the fish have been down deep some days so anglers have had to sometimes use intermediate line or floating line with a long leader to reach the fish. There is no set pattern of what flies the fish want with various flies catching fish, best flies of the week have been black buzzers, hothead damsels, cats whiskers. green and white frtiz and also nymphs, if the fish wont go for the bigger size flies such as the bigger lures then go smaller. Anglers over the last week have been rewarded with some nice fish Collin Stevens caught a lovely 5lb 2oz rainbow on a black and blue nymph and Cliff Edwards caught a cracking 9lb 2oz rainbow on a cats whisker and Ryan Vincent caught a cracking double figure rainbow weighing 10lb 11oz on a hothead cats whisker. We will be open as normal this Sunday the 5th of February 8am till 4pm, if you are thinking of coming fishing we advise you to book due to the fishery getting busy please phone 07814741252 to book your spot.

For info

Winter Series Sunday Competition 2017 remaining dates February 12th 26th March 12th
