Winter Series Sunday Competition 2017 remaining dates February 26th March 12th

Report. Week beginning 13.02.17

This week at the fishery we have had some cold frosty days and very strong easterly winds blowing, anglers have reported back that they have been snapped off by quite a few big fish or that fish have taken the line only to then snap off. Best flies of the week have been damsels with a blue bead, black fritz and white minkie. George Nesbitt caught a cracking 11lb 4oz rainbow on a white minkie. The Winter League Competition sponsored by Trinity Nursing Services is going really well with quite a few doubles being caught, the weights are really close at the moment so there is no telling who is going to win, on the day of the Winter League Competition Jeff kyte caught a cracking 12lb rainbow in a green and white fritz, Ashley Pullen caught a superb 10lb 8oz rainbow on a green and white fritz, John Newman caught a superb 10lb 7oz rainbow caught on a white and lime green fritz and Josh Billens caught a lovely 6lb 7oz rainbow. There will be plenty of more doubles being stocked this weekend.
